\$OUTHERN REWARDS

from

SOUTHERN
STATES
BANK

The minimum balance required to open this account is \$100.00.

*Monthly Reward – 2.50% cash back on up to a total of \$400.00 PIN-based or signature based debit card purchases that post and settle to the account during the monthly qualification cycle. A maximum of \$10.00 cash back may be earned per Monthly Qualification Cycle. "Monthly Qualification Cycle" means the close of the current statement cycle.

In order to receive the qualifying reward the following must be done: 1) Make at least 12 debit card purchases that post and settle to the account per monthly qualification. (Southern States Bank is not responsible for delays in merchant processing) 2) Have at least one ACH credit, such as a direct deposit, post and settle to the account per monthly qualification cycle; and 3) Enroll in and agree to receive e-statements instead of paper statements. If you do not qualify during a given monthly cycle, you may try again next monthly cycle to earn rewards. When Southern Rewards qualifications are not met, no cash back payments are made.

The following activities do not count toward earning account rewards: ATM-processed transactions, transfers between accounts, debit card purchases processed by merchants and received by Southern States Bank as ATM transactions, and purchases made with non-Southern States Bank issued debit cards. Cash back payments will be credited to the account the last day of the statement cycle. Rewards must be deposited into your Southern Rewards Checking Account. Enrollment in electronic services and log ons may be required to meet the account qualifications.
