

FEDERAL E-SIGN ACT DISCLOSURE AND AGREEMENT

This electronic transaction disclosure, consent, and agreement (collectively, the agreement) contains important information that you are entitled to receive before you consent to receive electronic records. Please read this agreement carefully and download, save and/or print a copy for your files. By proceeding forward and confirming you have read this agreement you consent to transact business using electronic communications, to receive notices and disclosures electronically, and to utilize electronic signatures in lieu of using paper documents.

Southern States Bank may occasionally be required by law to provide you, the signer(s) of this agreement, with certain written notices or disclosures. This agreement discloses certain information to you that we are required to provide before obtaining your consent to receive such legally required notices and disclosures by electronic means. This agreement also obtains your consent to electronically receive such legally required notices and disclosures (i.e., "required information") in a matter that reasonably demonstrates your ability to access and retain the required information.

Types of Required Information Provided by Electronic Means; Accessing and Retaining Information

In conjunction with the processing of any transaction in which you participate with us, we will provide or make required information available to you in PDF format. To access and retain required information, you will need the following:

- A personal computer or other device which is capable of accessing the internet.

- PDF reader: Adobe Reader or similar software may be required to view and print PDF files. You may download the most current version of the software identified above by going to www.adobe.com.
- A printer (for printed copies) or a working hard drive or other storage device (to store electronic copies).

These technical requirements are subject to change. If they change, you will be provided with an updated version of this agreement and asked to provide us with your consent in a manner that reasonably demonstrates your ability to receive notices and disclosures under the new technical requirements.
